

Women In Development, New York is thrilled to welcome you back to in person WID programming.

The health and safety of our attendees, supporters, and staff is a top priority. WID will only be holding in-person programs in locations that meet [City of New York Department of Health and Mental Hygiene](#) and [New York State Department of Health guidelines](#), the [CDC COVID-19 guidelines](#), as well as the health and safety protocols of WID and its selected venues. These requirements combined with taking practical safety precautions onsite, will help ensure the safest possible experience for our attendees.

See below for information about the current approach and onsite safety measures. **We anticipate that these criteria and precautions may evolve from event to event, so please check the desired event registration page for updates as we add more in person events to our calendar.**

In accordance with Women In Development, New York State and New York City's safety ordinance, WID requires all guests 5 years old and above to **provide proof of COVID-19 vaccination** along with your photo ID prior to attending all WID in-person events.

You may be required to provide an attestation to the below information prior to the event:

- You are fully vaccinated.
- You have not tested positive for COVID-19 in the past 10 days.
- You are not experiencing symptoms consistent with COVID-19 or have experienced such symptoms over the past 10 days.
- You have not knowingly been in close contact with someone who has tested positive for COVID-19 in the past 10 days.
- You will adhere to City of New York Department of Health and Mental Hygiene and New York State Department of Health guidelines, as well as the health and safety protocols of WID and its selected venues.

Women In Development, New York

555 Eighth Avenue, Suite 1902, New York, NY 10018 | (212) 265-7650 | widny@widny.org

Production of any of the following will be sufficient for proof of Covid-19 vaccination and must be provided with your photo ID:

- Photo or hard copy of CDC vaccination card
- Photo or hard copy of official vaccination record of a vaccine administered outside of the US
- NYC COVID Safe App
- NYS Excelsior Pass

WID will implement the following measures at all WID in-person events:

- **Face Masks**
Masks must be worn in all public areas, unless you are eating or drinking.
- **Social Distancing**
Decreased capacity and minimized congestion where possible across the venue.
- **Hand Sanitizing**
Hand Sanitizing Stations will be provided.

We also recommend that all attendees get tested with an RT-PCR or Rapid Antigen test, and receive their results, 24 hours prior to attending the event.

*For the purposes of this guidance, at the time of this writing, people are considered fully vaccinated for COVID-19 two weeks after they have received the second dose in a two-dose series or two weeks after they have received a single-dose vaccine.

If you have any questions or concerns, please contact the WID office at 212-265-7650 or widny@widny.org.
